About Alana

Alana channels the Voice of the Soul. She surrenders her body and mind over to divine energy and becomes an emanation of love, wisdom and divine power. This eternal loving energy guides you into the mysteries of the divine presence that lies within you too, and that heals through unfathomable grace. The divine presence is what enables miracles, grace and protection. From that inner divine sanctuary, such gifts are freely bestowed. What we must learn is how to allow that flow and receive.

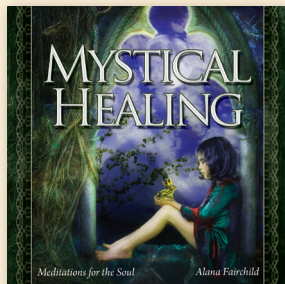

Alana writes, speaks, sings and channels the many faces of the Divine that choose to serve human evolution, so that each one of us may become free, fearless and fully realised embodiments of the divine love that we are in truth.
